Subject: Monica Rodriguez-Aguilera promoted to Aquehonga District Director

Date: May 11th, 2017

It is my pleasure to announce that Monica Rodriguez-Aguilera has been promoted to the Aquehonga District Director.

Over the past three years, Monica has grown membership and new units across Staten Island. She has started over six new scouting units, dedicating her time to ensure the proper leadership and program were in place. Monica has also helped develop and implement a new scouting curriculum within the Scout Reach program which has helped grow membership and improve retention over the past two years. Over that time, she has grown her management skills, leading six part-time program specialists who run the Scout Reach program on Staten Island.

Monica's new responsibilities will include overseeing the Aquehonga District Committee and leading the Staten Island Membership Campaign. She will also have a few new finance responsibilities including overseeing the Staten Island Business Luncheon.

Please help me by congratulating Monica on her new role.
